Part 1

- The website will consist of only two pages, as I am going for simplicity in design.
- I will be designing both pages myself.
- The top and bottom bars of the page will be an image of my creation.

Part 2

animal (<u>species name</u>, color, texture, head shape, body shape, limb shape, tail shape)

attributes (<u>species name</u>, diet, size, aggression, active time, sociability)

head (<u>species name</u>, color, texture, head shape, eyes, mouth, head accessory)

body (<u>species name</u>, color, texture, body shape, body length, body accessory)

limbs (<u>species name</u>, color, texture, limb shape, limb number, limb accessory)

tail (<u>species name</u>, color, texture, tail shape, tail length, tail accesory)
